

**SLS Affiliated Courses/Projects – Spring 2016**

**Projects**

**[Design of mHealth Tools for HIV Outreach Workers in Gujarat \(India\)](#)**

[Neha Kumar](#), Assistant Professor

International Affairs and Interactive Computing  
(Public Service Pathway Spring 2016 Awardee)

**[Engineers for a Sustainable World Waste-Derived Nutrient System](#)**

[Nicole Kennard](#), 3<sup>rd</sup> Year, Materials Science and Engineering

Engineers for a Sustainable World  
(Public Service Pathway Spring 2016 Awardee)

**[Excel Collaborative Community Garden](#)**

[Marnie Williams](#), Academic Coordinator

Excel  
(Public Service Pathway Spring 2016 Awardee)

***Georgia Tech Waste Audit***

[Anne Rogers](#), Program and Portfolio Manager

Office of Campus Sustainability  
(Public Service Pathway Spring 2016 Awardee)

**Courses**

***BC8903 - Special Problems - Serve-Learn-Sustain Design Build Studio***

[Daniel Castro](#), Professor and Chair

School of Building Construction  
(Public Service Pathway Spring 2016 Awardee)

***COA4803/8803 – Sustainability and Innovation by Design at Georgia Tech: The Kendeda Living Building***

[Michael Gamble](#), Director of Graduate Studies and Associate Professor  
College of Architecture

***CEE4497 - Sustainable Aquaponic Systems: The Food, Energy, Water Nexus***

[Steven Van Ginkel](#), Research Associate II  
School of Civil and Environmental Engineering  
(Public Service Pathway Spring 2016 Awardee)

***CEE4803B - Construction Management and Megaprojects***

[Baabak Ashuri](#), Associate Professor  
School of Building Construction/School of Civil and Environmental Engineering  
(Public Service Pathway Spring 2016 Awardee)

***ECE2811/3811/3812/4811 - Engineering for Social Innovation Vertically Integrated Project (VIP)***

[Joyelle Harris](#), Director, Engineering for Social Innovation Center  
Electrical and Computer Engineering  
(Public Service Pathway Spring 2016 Awardee)

***ECE2811/3811/3812/4811/4812-VV7 - Solar Decathlon VIP***

[Matthew Realff](#), Professor  
School of Chemical and Biomolecular Engineering  
[Cassandra Telenko](#), Assistant Professor  
School of Mechanical Engineering  
School of Industrial Design

***ENG1102, Section H, Writing and Communication Program - English Composition II: Ecomedia: Screening Sustainability***

[Sarah O'Brien](#), Marion L. Brittain Postdoctoral Fellow  
School of Literature, Media and Communication  
(Public Service Pathway Spring 2016 Awardee)

***HTS2803 HPC - Semester in the City: Engaging Westside Communities***

[Todd Michney](#), Visiting Assistant Professor  
School of History and Sociology  
(Public Service Pathway Spring 2016 Awardee)

***LMC3414 TD - Technologies of Representation***

[Lauren Klein](#), Professor  
Literature, Media and Communication  
(Public Service Pathway Spring 2016 Awardee)

***LMC6650/4699 - Community Historians + Westside Speaks***

[Christopher LeDantec](#), Assistant Professor  
School of Literature, Media and Communication  
(Public Service Pathway Spring 2016 Awardee)

***ME8813-TEL, ID8900-SSD - Sustainable Systems Design***

[Cassandra Telenko](#), Assistant Professor  
School of Mechanical Engineering  
School of Industrial Design

***SPAN4150 - Spanish Service Learning***

[Juan Carlos Rodriguez](#), Associate Professor of Spanish  
School of Modern Languages  
(Public Service Pathway Spring 2016 Awardee)

***Special Topics 27779 – MGT4803-J – Sustainable Business Projects***

Jay Cranman, Vice President of Corporate Partnerships  
[Points of Light](#)

***Special Topics 27782 – MGT4803-I – Innovation Tournaments for Sustainability***

[Colin Ake](#), Principal  
Georgia Tech's [VentureLab](#)
